By SIMON DEAN simon@sundaysport.co.uk

NEVER mind fashion week...

When the world's leading clothes horses travelled to Spain for a big show they laid on Madrid FLASHING Week!

Models paraded down the catwalk wearing flimsy tops which clearly showed off their teeny teats.

And several red-blooded Spanish men in the audience were spotted clacking their castanets as the togs got skimpier.

One onlooker said: "I am so excited, I could throw a donkey from a church tower. Ole!"

PARTING OF WAYS: Caroline with her now ex-love Andrew

LOVE ISLAND CAROLINE LESBO SHOCK

Expert advises a 'switch to minge'

By BARNEY SAMUELS
news@sundaysport.co.uk

UNLUCKY-IN-LOVE Caroline Flack should start groping busters and sucking MINGE if she wants to find true happiness.

That's the advice of relationship counsellor and lesbian expert Margo Patterson who says the 38-year-old's split from *Apprentice* and *Celebrity Big Brother* contestant Andrew Brady is proof Caroline should try out comfortable shoes.

Hotbed

Margo, who runs "vagina workshops" in the lesbian hotbed of Hebden Bridge, West Yorks, said: "If Caroline is feeling hurt, there are many lesbian shoulders she could cry on.

"Maybe she doesn't want to hear that 'all men are bastards' just now but sometimes there is no right time to hear the truth.

"I can guarantee that Caroline would find happiness if she simply shunned the cock."

Love Island presenter Caroline and Andrew had been dating since January, and revealed their engagement in April.

Now Caroline says she is "sad" she and Andrew "decided to part ways".

"Unfortunately it was not to be. I wish him all the best," she added.

This is me at the wnbr.....would you retweet in support of cycling safety and body positivity?😁

AN online oddball tweeted a snap of himself STARK NAKED to *Corrie* beauty Kate Ford.

Kate, 41, who plays scheming Tracy Barlow in the Weatherfield soap, tweeted a snap of her cat, complaining that the mog was lurking in the doorway while she wanted to strip off for a bath.

Kate tweeted the message: "When you would like to have a bath in peace but someone's been watching the whole time *#stalker #perving*."

But the last response she expected was from Twitter user Watson Truby, who frequently tweets pictures of his genitals to women.

Truby sent the bizarre message: "Hah like it… would you retweet in support of cycling safety and body positivity?" with a picture of himself standing naked next to a phone box.

A pal of the star said: "This is just downright weird."

MONDAY

THE government reels as two senior ministers – David Davies and Boris Johnson – both quit over Brexit.

Of course, Europe has a long history of making our Cabinets fall apart.

We should probably stop buying them from Ikea.

TUESDAY

THE world celebrates as a team of naive young footballers are finally dragged from a place where they had no right to be – and looked dangerously out of their depth.

No, we don't mean England crashing out of the World Cup but those Thai boys trapped in a flooded cave for weeks.

Never mind lads. You wouldn't be the first fellas to go down in Thailand and get a nasty surprise.

WEDNESDAY

ENGLAND'S dream of bringing football home dies as we are knocked out of the World Cup by Croatia.

On such occasions, it is customary for proud patriots to smash up a product of the victorious nation: German cars, for example.

Sadly, our only Croatian import is Brummie half-breed Adrian Chiles – and judging by his face, someone else got there first.

On the plus side, at least we won't have to watch any more matches alongside thick bints who only started following football three weeks ago.

I haven't heard so many lasses screaming for Kane since *Fifty Shades of Grey* came out.

THURSDAY

PRIME Minister Theresa May hosts a lavish banquet for Donald Trump – complete with his favourite lemon pie.

Apparently he couldn't wait to get his hands on that bitter little tart: all dry and crusty on the outside but soft and gooey if you know where to look.

Unfortunately Mrs May was there with her husband Phil, and the Donald was with Melania – so they just held hands for a moment instead.

FRIDAY

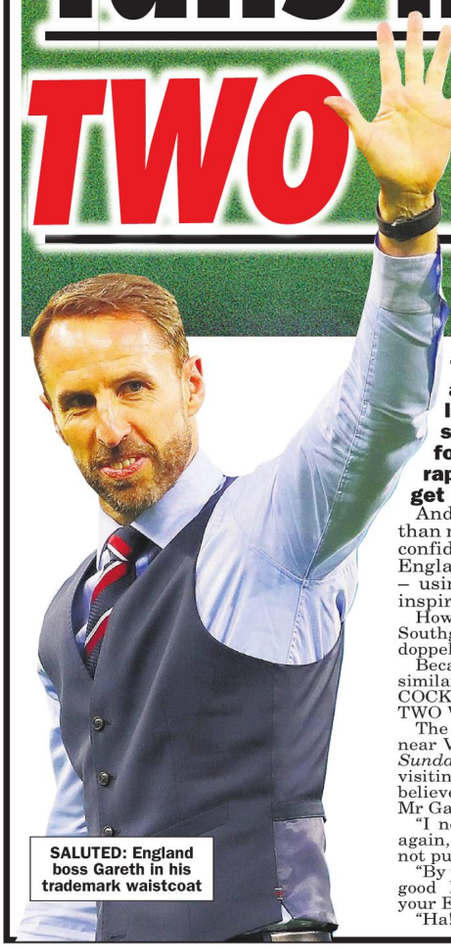
RUSSIAN PLUMBER MIS

Meet Sergei...th double who has shagged 92 England fans in just TWO WEEKS



SALUTED: England boss Gareth in his trademark waistcoat

THEY may be coming home after losing to Croatia in last week's heartbreaking semi-final, but England's footballers can be sure of a rapturous reception when they get back to Blighty.

And few will be cheered louder than manager Gareth Southgate who confidently steered his team to England's first semi-final since 1990 – using just a humble waistcoat to inspire his brave boys.

However, one man who will be toasting Southgate more than most is his Russian doppelganger Sergei Petrov.

Because thanks to his amazing facial similarity to the England gaffer, Sergei's COCK has not had a rest for the last TWO WEEKS!

The 29-year-old, who runs a small farm near Vidnoye, just outside Moscow, told *Sunday Sport*: "The English ladies visiting our magnificent Motherland believed that I was the England manager Mr Gareth Southgate.

"I never claimed to be him but, then again, if a lady assumed I was him I did not put them right.

"By these means, I was able to hurl my good Russian sperm up a full 92 of your English ladies.

"Ha! This is a great victory for Russia against the imperialist running dogs of the British Establishment, no?"

By BRAD CHADWICK
news@sundaysport.co.uk

Sergei said he'd never heard of Gareth Southgate – never mind realised he looked like him – until the England team arrived in Russia on June 12.

He said: "I was drinking vodka one morning with my friend and neighbour Alexei and we watch the arrival of the England team.

"Suddenly, Alexei shout 'Sergei Yvgenyvich! You look the spitting of the image of this England coach!'

"Alexi, who is a cunning man, then say 'You must travel to Moscow. All the English lady fans be convinced you are England manager and will lay their virtue before you like we lay the sickly grandmother before the wolf!'

Savings

"My friend Alexei is very good scholar, philosopher and a poet! No?"

Sergei took his pal's advice and travelled to Moscow, leaving his firm in the care of his "sturdy" 83-year-old grandmother Olga.

He said: "I took the savings from my grandmother to pay for a hotel and drinks, etc. When I get to Moscow, it is filled with English who yell at me, 'Hey, Gareth

TAKEN FOR HERO MANAGER

e Gareth Southgate

Southgate! Football it come home' and they buy me much, much vodka.

"The ladies swarm over me like blackflies over the corpse of a bear and offer me blowjob in alleys behind of the bar.

"Two ladies invite me back to their hotel room that night. They say, 'Gareth Southgate, that funny Russian accent you put on is so sexy'.

"One of the ladies demand I put my firm Russian member in her tense anus. So I comply like a good patriotic comrade. Woof!"

Flushed by his initial success, Sergei then cut a swathe through randy female English fans.

He smiled: "They all swoon for me like drunken harlots from Siberia. It was like shooting geese in a barrel.

"I kept count in notebook given to me on my puberty by Uncle Fyodor Petrovich. Total tally is 92 I tell you.

"Eventually, I run out of roubles and must return to my work. But what a World Cup, yes? I was, how you say…over of the moon, no?

"I salute you Mr Gareth Southgate!"

Unfortunately, when he returned home on Friday after his fortnight of sexual adventuring, Sergei found his gran had been trampled to death by cows.

He said: "That did, as you English say, place the mockery on things a little. But, hey, she lived good life and bore me seven, strong healthy sons."

French hotties flash for their boys

GALLING as it is to every true-born Englishman, the French are through to the World Cup Final where they'll meet Croatia today at 4pm.

Yes, of course it would be better if England were facing our oldest foe, but it was not to be.

Still, our despair can be offset by these French beauties who flashed their boobs at a campsite near Bordeaux last night, to inspire their national team to victory. Mais oui!

Gushing Soph taps off with Aussie hunk!

GEORDIE Shore babe Sophie Kasaei left her co-stars GOBSMACKED when she described her SQUIRTING fanny.

The rowdy bunch of reality stars headed to Australia to film the 17th series of the show and Sophie, 28 (*above*), got to know one of the Aussie cast members very well indeed.

After giving Aussie fella Alex Macpherson, 22, a saucy lap dance in a strip club, things heated up between the pair as they headed back to their hotel.

They ended up shagging and Sophie struggled to hold back the details when she told fellow Geordies Holly Hagan, 26, and Nathan Henry, 27, of her night of passion.

Sophie said: "Right, something did happen. A lot of squirting. It was like the tap!"

A confused Nathan asked Sophie: "Are we talking about your vagina or a tap?"

Turning to Holly, Sophie said: "Non-stop!"

Fans back from Russia with love

RUSSIA is expecting a 15% surge in tourist numbers in the wake of hosting the World Cup, the country's deputy prime minister said.

The football tournament has helped "destroy stereotypes" of Russia and will boost foreign tourism as fans head home and spread the word they had a great time, said Olga Golodets.

The month-long contest passed without major security incidents and concerns about racism and violence that were raised in the run-up did not materialise.

Golodets added: "We expect a serious increase in the international influx of tourists."

Russia has hosted around 700,000 foreign football fans during the tournament, spread over 11 cities including Moscow, St. Petersburg and Sochi.

THE VOICE OF YOUR BRITAIN

World Cup United our Kingdom

SO, it was not to be.

Millions of people all across England dared to dream they'd be sitting down this afternoon to watch their football team in a World Cup Final.

But on Wednesday night, that dream came crashing down around our ears.

It was, in the words of the song, another of those "oh-so-nears".

Ah well...there's always next time.

And The Boys did us proud.

They brought unity and pride to a nation divided as never before.

Brexit or Remain, Labour or Tory, England was united behind their football team.

Cathedral organs played "Three Lions" on their venerable pipes. Elderly ladies turned pundit at bus stops.

Strangers chatted in the street, brought together by a swell of national pride.

Our politics may be in turmoil, our leaders may be incompetent buffoons.

But there's more to this land than politics. We've remembered that over these past few weeks.

And the World Cup has not just united England – it has brought joy across the United Kingdom.

England fans can be proud of the performance from Gareth Southgate's boys.

And Scotland fans can whoop with delight that the Auld Enemy has fallen short once more.

Everyone's a winner!

Stormy's off the hook over strip charges

AUTHORITIES have sensationally DROPPED charges against porn star Stormy Daniels for allegedly touching three undercover detectives while performing at an Ohio strip club.

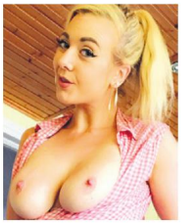
Daniels, who gained notoriety after suing President Donald Trump following an alleged affair, had faced three counts of illegally touching a patron.

Daniels, whose legal name is Stephanie Clifford, posted bail and was released ahead of a scheduled court appearance on Friday.

But Columbus City Attorney Zach Klein released a statement announcing that prosecutors would not be pursuing the case.

He said: "I've determined that these crimes were not committed, based on the fact Ms Clifford has not made regular appearances at this establishment as required under law."

Columbus police chief, Kim Jacobs, said "one element of the law was missed in error. A mistake was made, and I accept responsibility."



Sapphire urges hooker protest

A STUNNING porn star has encouraged sex people to protest against Donald Trump's visit by booking a romp with a kinky prostitute.

Yorkshire-born Babestation stunna Sapphire added her voice to the thousands protesting about the visit of the U.S. President.

And she drew attention to the Trump team's crackdown on sex work in a tweet.

Sapphire wrote: "Good Morning! No better way to get fired up for protest than masturbating? Trump hates sex workers so you should have your own protest by using one today!"

On her AdultWork profile, camgirl Sapphire tells punters: "You've wanked over me online now come and get the real thing.

"I'm ready waiting for you. Let me drain your balls and own your cock now!"

Boris RIMMED Trump at boozy party while Lembit Opik pleasured himself

LEMBIT Opik furiously tugged himself off – to messy and copious completion – while watching the Leader of the Free World having his anus orally pleasured by Tory wild card Boris Johnson.

Don't worry, this isn't the latest twist in Britain's "turmoil" political system.

It's simply a bizarre vignette from a politically-themed fancy dress party in Reading, Berks, that went off the rails after too much cider and Albanian red wine had been quaffed by guests.

SUNDAY SPORT EXCLUSIVE

Partygoer Rolf Watson said: "It was the strangest fancy dress party I've ever been to.

"To mark Donald Trump's visit and the ongoing Brexit debacle, the hosts decided on a political theme.

Rowdy

"There were people dressed up as Theresa May, Maggie Thatcher and even Ken Livingstone.

"And there was one bloke who came as Hitler but he was asked to go away and change into something else. By midnight it had all got a bit rowdy and there were people writhing in every dark corner of the party house.

"At one point, I looked over and there was someone dressed as Boris Johnson rimming this bloke with a daft Donald Trump wig on.

"Stood next to them was someone I didn't recognise at first and then it dawned on me – it was a bloke dressed as former LibDem MP and *Sport* columnist Lembik Opik.

"Talk about random!"

Meanwhile, Britain is still digesting the fallout from Donald Trump's visit.

He flew to London after causing a storm at the NATO summit by insisting that the Germans pay more into their defence budget.

FEARS OVER PRESIDENT'S 'KATE'S A FOOL' JIBE

SLURS: The Duchess of Cambridge

By OLIVER FLOYD
news@sundaysport.co.uk

WHEN US President Donald Trump took tea with the Queen on Friday, courtiers had to keep Princess Kate out of the way.

Because back in 2012, the shoot-from-the-hip Yank leader said Kate "only had herself to blame" after tits-out photos of her appeared in a French magazine.

The pictures created a storm and British publications were sent warnings not to publish them directly from the head of MI5.

But when the snaps appeared in the foreign press, Trump waded into the row via Twitter.

He tweeted: "Kate Middleton is great – but she shouldn't be sunbathing in the nude. Only herself to blame."

Money

Trump added that he understood that the photographer saw the opportunity to make some money and took it.

"Who wouldn't take Kate's photo and make lots of money if she does the nude sunbathing thing. Come on Kate!"

Trump spoke about the Duchess of Cambridge being "nude" yet she had only removed her top.

And on the TV show *Fox & Friends* he said Kate had been "stupid" and blaming her alone for her circumstances.

He foamed: "While we're all fans of Kate, can you imagine…why would she be outside in the nude? Why would she be standing in the nude in the swimming pool or wherever she was? And she's Kate, so you know, it's terrible what they did, it's terrible to take pictures, but how can you do a thing so stupid…to be outside of a swimming pool without a top on, and you're Kate?

"Maybe they can stop it, but it is a very, very foolish thing she did."

A TWITTER oddball offered to MARRY troubled Danniella Westbrook if she let him have kinky SEX with her drug-ravaged SNOTTER!

The 44-year-old former *EastEnders* star, whose nose disintegrated after years of cocaine abuse, posted: "I need a husband," on Twitter and received hundreds of marriage proposals and words of support from well-wishers.

But Twitter user Andrew Kyle was less kind and replied coarsely: "I will marry u if I can fk ya nose".**

Last night a pal of the star said: "While this comment is hurtful – as it references her previous problems with substance abuse – she'll get over it. She's very strong."

Last week Danniella said she was confronting a female stalker who she claims has harassed her for three-and-a-half years.

Nat: TV sex should be dirty

GAME of Thrones beauty Natalie Dormer says telly sex should be DIRTY – to reflect what goes on between the sheets in real life.

The 36-year-old, who plays Margaery Tyrell in the tits 'n' dragons drama series, says the romps filmed in *GoT* aren't "glamorised" but are "quite real".

Natalie said: "Sex and romance is a huge part of human motivation. So long as it's informing the story then I don't see the problem.

"*Thrones* is quite good that way – the violence is quite naturalistic. It's not hyper-stylised or glamorised.

"And the sex is quite real and dirty as well.

"It's about those raw, visceral qualities of human life."

Natalie grabbed the eyes of viewers with her racy sex scenes, frequent topless sequences and some eye-popping wardrobe choices during her time on the HBO show.

Lil' Kim is nasty in bed!

RAPPER Lil' Kim says she was a trailblazer when it came to encouraging other female stars to sing EXPLICIT sex lyrics.

Kim – real name Kimberly Denise Jones – has just released a new single called *Nasty One*, which is a radio-friendly, reggae-inspired tune.

But her earlier work was more near-the-knuckle and the star said she wasn't sure she was doing the right thing at the time.

Kim, 43, said: "I was nervous when I first came out, like, 'Did I do the wrong thing? Should I not have said this? Should I not have rapped like this or dressed like this?'

"So for me now, to be able to go back to that and it's so accepted, I almost feel like I need to do something more, even bigger than that."

In her new single, Kim talks about how good she is in bed – but within a relationship.

JAPS EYE NAKED STATION GIRL

JAPANESE railways are famous for being very clean, very fast and running to the second…

But they may become famous for something very different if this babe's antics take off.

A spokesman for Japanese railways apologised profusely for the display of nudity.

Otters move in as it all gets 'otter

HOUSEHOLDERS have been warned not to approach OTTERS which are heading for people's homes as drought-hit rivers dry up.

Thousands of the once-rare mammals are leaving their natural habitat due to falling water levels and searching out new watery safe havens.

And in many cases, they're being attracted by the splashing noises coming from domestic bathrooms.

Garth Philips of wildlife charity OtterAction said: "Otters are naturally drawn to the sound of splashing water. If they hear a shower or a flushing toilet, they'll naturally head for it, thinking it is a stream.

"While some people might think that's a delightful idea, the truth is you don't want an otter anywhere near your home.

"Their nests ruin foundations, their fur is alive with lice and they could eat a small child's face off in the blink of an eye – just look what they did to Terry Nutkins' fingers.

"If you have an otter infestation, call a licensed otter disposal contractor."

Rubbish way to go for drunkard

A DRUNK woman was crushed "into the size of a shoe box" when she tipsily toppled down a disposal chute into a rubbish compactor.

Mum-of-one Lara Prychodko, 48, was last seen alive on CCTV stumbling in a stupor from a lift on the 27th floor of the Zeckendorf Towers, New York City.

It's not known how she managed to get into the chute, but 30 minutes after she was caught on camera, a maintenance man found her body "crushed from multiple angles" in the compactor, according to police.

The only other clue about her fate was her handbag, which was found abandoned on the building's 27th floor.

Officers do not suspect foul play, as the woman was alone when she was seen on video staggering from the elevator.

ALIENS TOLD ME DAVID WALLIAMS IS DEFINITELY 'ONE OF THEM'

HAMMING IT UP: Keith said aliens he spoke to told him the comic David Walliams was 'not as other men'

Amateur astronomer says he's spoken to inter-galactic beings on his 'special radio'

HOBBYIST stargazer Keith Johnson says he's made contact with ALIENS – and the hyper-intelligent moon men have told him that comedian David Walliams is "one of them"!

SUNDAY SPORT EXCLUSIVE
By BARNEY SAMUELS

Over the past 10 years, Keith, 67, has spent hours in the spare room of his house in Tadcaster, North Yorks, scanning the radio frequencies for evidence of so-called "extra terrestrial intelligence".

And his breakthrough came on Wednesday night when Keith tuned his "special radio apparatus" to a frequency "slightly to the right of Heart Yorkshire FM" – and heard the unmistakable sound of inter-galactic chit-chat.

He said: "I could hardly believe my ears. I became the first human being in history to make radio contact with an alien civilisation.

"I said into the microphone, 'Hello? Hello? This is Planet Earth'.

"There was a pause while their hyper-intelligent astro-brains digested my language and within minutes we were chatting away and they were telling me all sorts of secrets.

Claim

"The most staggering thing they told me was that David Walliams was one of them.

"I asked what they meant. Surely they were not suggesting that Walliams was a space alien?

"Again, they said to me that Walliams was 'not as other men'.

"This was quite a claim. One of Britain's favourite entertainers an alien?

"I asked my alien chums for proof of the performer's extra-terrestrial origins and they insisted that Walliams was 'light on his feet'.

"I took that to mean that Walliams is used to stronger gravity on his home planet."

Keith said that he could have talked to the aliens all night but wife Muriel called him down for his tea.

When Keith later tried to re-establish contact, the aliens had apparently signed off.

He sighed: "I was disappointed, of course, but still very proud that I'd made contact with aliens.

"I'll be giving a full report to the North Yorkshire Skywatchers' Guild at their August meeting."

The hunt for technologically advanced aliens has drawn a blank for years, despite billions being invested in the search.

Last night a senior source at SETI, the Search for Extra-Terrestrial Intelligence, said that Keith's claims "made sense".

DOG BUMMER COLLARED BY NEW BESTIALITY LAW

BAILED: Sam Mercon

A MAN who bummed a dog in his neighbour's back garden has become the first person to fall foul of a new anti-bestiality law.

Philip Samuel Mercon, 27, was arrested after a witness told police they saw him "sexually abusing a dog" in a neighbour's backyard in Bellmead, Texas.

After army veteran Mercon saw police approaching he let go of the animal – described as a mixed breed, medium-sized male dog — and tried to run away from the area.

"Officers notified the animal owner at the scene so that she could provide any care the dog needed," police said.

"At this time, there are no reports of injury to the dog."

Texas lawmakers only last year officially banned bestiality to prevent Texans from having sex with animals.

Under the law, which went into effect September 1, Texans who have sexual contact with animals could be jailed for up to two years.

And if the animal has severe injuries or dies because of the sexual contact – or if that contact occurs in the presence of a child younger than 18 – the offender could face a longer sentence behind bars.

Mercon was arrested on a charge of bestiality, and charges of evading arrest and criminal trespass.

He was booked into the McLennan County Jail, where he was later released on an £6,500 bail.

Lezzas get a lot more orgasm joy during sex

LESBIANS have better sex than straight women, according to experts – and it's not all down to strap-ons.

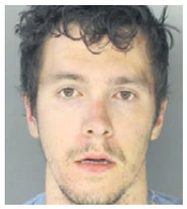
A report in the Journal of Sexual Medicine found 75 per cent of lesbians had orgasms during sex, compared to just 61 per cent of straight women.

Another larger survey from the Kinsey Institute found that lesbians orgasmed 86 per cent of the time during sex, while only 65 per cent of straight women did.

Claire AH, a Toronto-based lesbian matchmaker, says there are many reasons why the results favour lesbians.

She explained: "A chief one is that men, and to an extent everyone who identifies with masculinity, are fed a very narrow idea of what sex is, and it doesn't often include much outside of penetrative sex meant to display skill and virility leading to their own orgasm."

Matty Silver, a sexual health therapist based in Australia, added: "Lesbian women know where their clitoris is and know what to do with it to get an orgasm. They don't need to show a partner what to do."



Tosser fouls Donut store

A MAN turned a branch of Dunkin' Donuts into SPUNKIN' Donuts when he furiously masturbated –to messy completion – in a branch of the sweet treat emporium.

Cops say they were called to the store in Manheim Township, Pennsylvania, where Shay Bromer (*above*), 23, had turned up begging for a free grub handout.

When he was told to sling his hook, the jobless drug user became unruly, fished out his genitals from his pants and began masturbating.

When police arrived, Bromer was lying on the floor where he had fouled himself. Most customers had fled the store as Bromer wanked.

He was nicked and charged with indecent exposure and fouling a food service area with a bodily fluid.

"But It's amazing to have it this good for so long here in Britain."

She added: "It gets a bit tiring having boobs this big when it's so hot.

"But plenty of people let me jump in their pool to cool down.

"And they seem especially happy if I'm topless."

EACH-ENDED: Julieen Smith

A RANDY mum was arrested after she was repeatedly each-ended and BUMMED by two teenage lads.

Police say Julieen Smith, 37, had a "long-standing fantasy" to be penetrated by a hard-cocked young stud while slurping on the engorged penis of another hunk.

The divorced mum-of-two, of Fort McCoy, Florida, got to live out her sex dream with two lads, aged 16 and 17, who she met through her church.

Officers said Smith "insists she was sure" the teens were aged 19 or 20 – the age of consent in Florida is 18.

Penetrated

After receiving a tip-off, cops interviewed the lads who confirmed they had sex with Smith "several times in several locations".

The teenagers claimed to have penetrated the horny MILF orally, vaginally and anally and that she was "hungry for their jism".

They also revealed that Smith "squirted like a porn star" when penetrated anally.

Det Daniel Pinder, of the Marion Co Sheriff's Office, said Smith had apologised for having sex with the underage boys.

She has been charged with four counts of unlawful sexual activity with a minor and will appear in court later this month.

A source said: "Smith dreamed depraved dreams and then made them a reality. Hell, she must have been wriggling like a gator in a bear trap with all that cock up her pussy and in her ass."

Handjob court on CCTV

LAWYER Brian W. Benbow has been struck off for a year after a grateful female client tossed him off in a courtroom when he won a child custody case for her.

The Ohio Supreme Court suspended Benbow's licence after the sex act was caught on CCTV in the Coshocton Courthouse, Ohio.

THIS MAN THINKS IT'S OKAY TO SHAG TURKEYS

SUNDAY Sport EXCLUSIVE

By BARNEY SAMUELS
news@sundaysport.co.uk

DIRTY BASTER: Finbarr poses with 'tasty' bird

IN the eyes of the law – and God – humans having sex with TURKEYS is plain WRONG!

The offence can lead to a harsh prison sentence and eternal damnation.

But sick poultryman Finbarr Hetherington sees nothing amiss with the FOWL practice and even BOASTS of his vile hobby.

Now the twisted 64-year-old has set up the UK Turkey-Man Love Association to help promote this filth.

Slavered

The divorcee, from Consett, Co Durham, slavered: "For too long this has been the love that dare not speak its name.

"But this is 2018. It is not a crime to be in love – even if that love is between a man and a turkey."

Hetherington said he became aware of his perverted tastes while slaughtering turkeys for Christmas 2016.

He said: "As I wrung their necks, ready for the oven, I realised I felt something for them.

"From that moment, I never killed another turkey.

"Now that's pretty bad economics for a turkey breeder, but I don't care."

Hetherington plans to open his farm to other poultryphiles, charging £500 for a weekend of turkey-filled lust.

He whined: "I still have to earn a living."

Sunday Sport has passed a dossier of our investigation to the relevant authorities.

Haunted ambulance fear of penis drunk

A MAN was arrested by cops after he ran away from them when they tried to put him in a "haunted ambulance".

Grady Joe Carson, 60, was wandering around a car park with his penis hanging out of his trousers and covered in dirt.

When cops tried to talk to him, he was sweating profusely and paramedics were called.

When they arrived, Carson began to "freak out" and tried to run away from the "haunted ambulance."

Police subdued Carson by twatting him with their sticks and hauling him into their car.

He's been charged with public drunkenness and slung in jail.

Luck of trucker in monster truck blast

A BOOZY trucker walked away from a stadium-sized fireball after he crashed his load of 63 TONS of bottled gas!

Cody Harlen Jones, 39, smashed his lorry into a wall near Warwick Township in Pennsylvania, causing an explosion heard 20 miles away.

Cops arriving at the scene doubted they'd even find remains but Jones staggered from the inferno, singed but otherwise unharmed.

A police source said: "Ain't no way a human being could have survived that. This boy done been protected by angels. Yes siree."

Jones's blood-alcohol level was nearly triple the legal limit and is now facing five years in jail.

GERMANS PHOTOBOMB BRIT BABE'S PIC

Kraut of order!

FOR five years, Alan King had been trying to persuade his missus Karen to whip her perfect boobs out on the beach.

And last week, on holiday in Greece, 32-year-old Alan got his wish as Karen, 26, doffed her bikini in front of a blue sea.

Unfortunately, at just that moment, two opportunist Germans wearing "budgie smuggler" swimming trunks leapt into the frame and ruined the shot by "photobombing"!

Pissing

Now back home in Doncaster, South Yorks, Alan told *Sunday Sport*: "Talk about pissing on my parade! I'd been trying to persuade Karen to get her tits out for FIVE years – ever since we went on our first holiday.

"And the one time she does it, these bloody Krauts ruin it! I knew they were Krauts as they were yakking in that filthy language of theirs.

"Karen won't pose again – the moment has passed."

Department store perv's bikini toss

A MAN who stripped naked and furiously masturbated in the swimwear section of a department store has been arrested.

Bryan Lee Swaim, 51 (*above*), cracked one off while ogling a lady in the bathing department of the Target store in Ocala, Florida.

Police were called when a loss prevention officer reported Swaim acting suspiciously.

Between the call and cops arriving, Swaim stripped naked and continued to tug his stiff member until he ejaculated on a bikini.

Swaim was later arrested in the food department's wine aisle, and told officers he'd pleasured himself because the women were "pretty ladies".

Police then found drug paraphernalia in a backpack on a bicycle Swaim had earlier ridden to the store.

He has many charges against him, including exposure of sexual organs, and faces up to a year in jail.

Boozy OAP 'only drank at lights'

A PISSED pensioner told cops he wasn't driving drunk – because he had only been swigging whiskey at red lights.

Earle Stevens Jr, 69, was arrested after a woman at a drive thru McDonald's called cops to report a man ramming the back of her car.

When police pulled Stevens over, he told them he'd had "three drinks" and admitted he'd been drinking from an open bottle of Jim Beam bourbon on the front seat.

Arrest documents state: "He further explained he was not drinking while the car was moving and only when he stopped for stop signs and traffic signals."

Stevens told cops in Vero Beach, Florida,: "I'm feeling pretty good", before attempting to exit the car... and falling flat on his face.

He's in court on July 31.

GEORDIE PHWOAR!

Newcastle lasses are most body-confident in Britain – and here's the proof...

HANGING OUT: Pals Karen and Trish flash the flesh on a boozy night out in their hometown

By BARNEY SAMUELS
news@sundaysport.co.uk

WHEN it comes to being confident about their body-image, babes from Newcastle are tops!

And you'll get no argument from fun-loving Karen Jones and Trish Benson.

The pair, from the Byker district of the Tyneside city, said they're more than happy with their cuddly bods.

Karen, 24, laughed: "I've had no complaints from any lad who's had a go on me – and that's a lot of lads, pet!"

Trish agreed: "Aye, I'm happy with me and that's what's important, like."

A study of 2,000 British women, conducted by the makers of hair-removal ointment Veet, found those from the north-east are the most likely to keep the bedroom lights on or wear a bikini.

Flattering

Brighton girls also rated highly in the survey, followed by those from Sheffield and Cambridge.

But the research showed that as a nation only about a quarter of UK women are truly happy with their body and would walk down a beach without wearing a flattering sarong.

The study claims the average woman has six body hang-ups, with their wobbly bellies topping the list.

Other Geordie babes who are famously willing to show off what the Good Lord Almighty gave them are *Geordie Shore* babes Holly Hagan and Chloe Ferry (*left*).

CORRIE BETH'S CH HOLIDAY SNAPS

SOAP STAR: Lucy as Beth in *Corrie*

ARSE. On. That!

By BRAD CHADWICK
news@sundaysport.co.uk

After a smash year playing the all-grown-up Bethany Platt in *Coronation Street*, Lucy Fallon took a much-needed break from her busy filming schedule to enjoy a holiday in Cyprus with her boyfriend Tom Leech.

The actress, 22, turned heads in a stylish leopard print swimsuit as she and her beau frolicked in the sea, with a number of inflatables.

Saucier

The star sizzled in the one-piece, which clung to her frame all the way down with its animal print material.

Only making the look saucier, the swimsuit then cut low at the side and front, giving an eye-popping flash of her cleavage as she cooled off in the blue waters surrounding the Eastern Mediterranean holiday island.

Pulling into a daring thong at the back, Lucy then left her long legs and most of her derriere on show in the garment as she topped up her tan in the blazing sunshine.

And in one jaw-dropping shot, the sizzler showed off her taut, pert bot-bot.

One onlooker said: "I watched. I watched for a long time.

"I watched until the local police moved me on."

Student shag Miss nabbed selling meth

A FORMER teacher who was convicted of shagging an underage student has now been arrested on suspicion of selling crystal meth.

Sarah Lindsay Lewis (*above*) was arrested by members of the Major Crimes Task Force on July 2 for allegedly selling narcotics from her car.

She was found in possession of 12 ounces of methamphetamine and paraphernalia, according to court documents.

Along with the drug charges, Lewis, 28, was also found to have violated her probation on the unlawful sex conviction, for which she was ordered to spend three days in jail.

Last year, Lewis was convicted of having sex with at least one of her male students and providing alcohol to a minor when she was a social studies teacher at a high school in Spanish Fork, Utah.

After being banned from teaching, she turned to selling drugs to make ends meet.

THINK YOU HAD A BAD FRIDAY THE 13TH..?

Tramp bummed by Great Dane when he bent to pick up 50p

SUNDAY SPORT EXCLUSIVE

By OLIVER FLOYD

AN UNLUCKY homeless man was BUMMED up the ARSE by a Great Dane when he stooped to pick up 50p in the street on Friday the 13th.

Ill-starred Dougie McTavish thought his luck had changed when he spotted the shiny coin in a Blackpool gutter.

He said: "I saw it and thought, 'That's a can of cider, right there'.

"But when I bent to pick it up, the elastic on my trews snapped and my strides fell down.

"That's when I heard a deep, deep growl and the next thing I know a giant dog's atop me and it's trying to bum my arse.

"It sent me sprawling and I lost my tooth in all the commotion.

"I must have passed out because the next thing is the police are picking me up and arresting me for being drunk and disorderly.

"That's how it happened. I swear on my weans' lives!"

Magistrates rejected 56-year-old McTavish's explanation and found him guilty.

He was given a conditional discharge.

Dead wife is found 'coupled' with lover

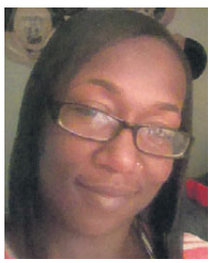
A MAN returned to his home to find both his wife and her lover dead in the garage, after the pair apparently died of carbon monoxide poisoning during sex.

The woman, 39, and her 56-year-old lover – who cops believe was her mechanic – were discovered on Monday morning at a house in Newark, New Jersey.

Sources say the wife, identified as Tameka Hargrave (*right*), and the mechanic – who has not been named – were having sex in a car in the garage when they were both killed by the poison gas.

Husband, night worker Kahali Johnson, came home at 9am to find their bodies.

Police said they believed the wife was paying for her car work by having sex with the mechanic.



Police confirmed they found the pair dead inside a running vehicle in a closed garage. They were still "coupled" and medics had to prise them apart using a crowbar as rigor mortis had left them "knotted".

MIRA: MY CASTING COUCH CONDOM HELL

By WENDY THOMAS
news@sundaysport.co.uk

HOLLYWOOD babe Mira Sorvino says a pervy casting director put a CONDOM in her mouth when she was a teen.

The Oscar-winning actress *(left)* said: "In looking back at my career, I realised that one of my very first auditions, when I was 16, I was completely treated inappropriately by the casting director.

"In order to scare me for this horror movie scene, he tied me to a chair, he bruised my arm, and I was 16 years old, and then he gagged me.

"And I was all game because I'm trying to be scared for the scene.

"And at the end he takes the gag out of my mouth and he said, 'Sorry for the prophylactic,' so he had gagged me with a condom.

"I was too young to even know, Thank God, what a condom tasted like.

"It was so inappropriate, and what the heck was a casting director doing with a condom in his pocket in an audition?"

Sorvino said that audition was one of her first "introductions to how the acting system works" and explained that "when you're young, you don't question".

The 50-year-old Golden Globe winner also claimed that she's had friends who were advised: "You're absolutely going to have to have sex with all kinds of people to advance your career."

Sorvino added that because she "never did that" and "was never willing to," she lost out on acting roles.

10 things you might not know about the... TOUR de FRANCE

THE world's biggest cycle race is underway and British rider Chris Froome (*above*), 33, is after his FIFTH title.

Covering 2,082 miles over three weeks, the 21-stage marathon is the toughest of all.

We've all heard about Lance Armstrong's doping scandal, but here are 10 things you might not know about the Tour de France, which began in 1903...

1 **THE very first fatality occurred in 1910 but the victim, French fella Adolphe Helière, did not die during the race – he drowned while swimming in Nice on a rest day.**

2 IN 1904, French cheat Hippolyte Aucouturier tied a piece of cork to a long piece of string and tied the other end to the back of a car. The idea was for him to bite down on the cork and let the car tow him. His plan was foiled when someone saw the string.

3 **IN 1999, Italian Mario Cipollini taped a pic of Pamela Anderson to his handlebars in a bid to give him inspiration and boost his testosterone.**

4 ITALIAN Gino Bartali won in 1938 and 1948 but he also saved Jews from the Nazis in World War Two. He worked as a courier and carried secret messages and fake IDs in the frame of his bike. If stopped, he simply said he was training for the race.

5 **RIDERS used to drink beer during the stages to numb pain, but that was outlawed in the '60s.**

6 RIDERS in the '20s also used to smoke before climbing stages, believing it increased their lung capacity.

7 **IN 1904, winner Italian Maurice Garin and the three runners-up were all disqualified after they used trains instead of riding their bikes.**

8 THIS is the 105th edition of the race and for much of the past, cheating has been rife. Cyclists have poured itching powder down a rival's clothing, spiked drinks and scattered broken glass for trailing riders.

9 **HISTORIANS say most French people did not know the shape of their country until cycling magazine *L'Auto* started publishing maps of the race route.**

10 FREDDIE Mercury wrote *Bicycle Race* after seeing a stage of the 1978 Tour.

BOILED ALIVE IN HIS POISON-PROOF SUIT

Boffin thought Novichok scare would 'make him millions'

PLASTIC MAN: Lionel made a suit similar to this one Dustin Hoffman wore in the hit movie *Outbreak*

A BOFFIN who designed a suit which protects against Russian death poison Novichok was BOILED ALIVE when he got trapped inside his invention.

Lionel Perkins began work on a "practical, reliable, economical Hazchem suit for the general public" after Vladimir Putin's goons poisoned former Russian spy Sergei Skripal and his daughter Yulia in Salisbury, Wilts, earlier this year.

Skimped

His work stepped up a gear after Dawn Sturgess, 44, died last week after exposure to Novichok.

But the 57-year-old's headlong rush to riches was cut short by a mishap during the testing stage of the suit.

Unmarried Lionel was found dead in his Huddersfield workshop by pal Pete Tidiman.

Pete said: "Lionel reckoned that with all this Novichok floating around Wiltshire, everyone would want their own Hazchem suit. He thought it would make him millions, but he skimped on essentials and used a cheap Taiwanese zip.

"It seems he tried the suit on last Monday – when it was nudging 95 degrees – and the zip stuck. The temperature in the suit rocketed and he was unconscious within minutes."

Dawn Sturgess and Charlie Rowley, 45, fell ill in Amesbury on June 30 after being exposed to the terrifying nerve agent.

Ms Sturgess died last Sunday. Mr Rowley remains in a critical condition.

Police are investigating a possible link to the case of Sergei and Yulia Skripal – who were poisoned with the same substance.

The UK government has blamed the godless Russian secret services for the incident, but the country's authorities deny any involvement.

Drunkard's 'baby' was beer barrel

CONCERNED residents called cops when a "clearly drunk" woman was seen wheeling a baby's pram though a sleepy suburb at 2.30am.

But when they arrived and looked in the pram there was no nipper – just a stolen barrel of beer!

Insp Adrian Gamble said: "The officer found the woman wheeling a buggy. On seeing police, the defendant attempted to run but was stopped after a short distance.

"On speaking to her, it was observed she was intoxicated as she was slurring her words and was unsteady on her feet.

"She was asked what age the child was. She said it was her son, who was two years old.

"When the officer looked in the pram there was no child but there was a nine-gallon barrel of beer which it later transpired had been stolen from Mahoney's Bar nearby."

Delores O'Shaunhessy, 41, admitted theft and being drunk in a public place Cork, Ireland.

Sentence was adjourned for reports.

GARDEN CENTRED: Lass made sure her fella rose into her bush

CARRINA, 25, 32HH, from Chelsea says...

"SEX in the outdoors is just so kinky and naughty, I love it! I always wear tiny tops when it's warm in summer and everyone stares at my boobies.

When I have the top down on my car and I'm wearing my small tops, truckers always slow down and have a stare.

The hottest moment I've had came when I stopped at a truck stop one day for a break. I noticed a lorry pull in behind me and I recognised him from earlier on when he'd had a real look at my chest.

I got out of my car, wearing nothing but my crop top and a denim skirt – I wore no underwear – it was too hot.

Anyway, I found a spot of shade on the grass not far from my car and lay down to relax for half an hour or so.

The trucker came over and sat next to me. He was fit and had his top off, showing off his muscles. I was already really horny, the sun does that to me!

I turned and said to him 'If you're topless, I might as well be' and peeled off my top to let my boobs hang free.

Stroking

His eyes almost popped out of his head and he asked 'Are they real?' I replied 'Sure, you want to feel?'

I like hot guys to play with my breasts. He leant over to grab a handful of my boobs, stroking my nipples as he did.

I moaned out loud when he moved his mouth towards them.

Looking around I could see a couple of men milling around but I didn't really care – this trucker was giving me what I wanted.

The more he licked, the hornier I got and I moved my hand towards my pussy so I could play with myself.

'No, let me do that' he whispered as he fingers probed at my sopping hole.

He plunged two, then three fingers inside me, thrusting away with real power and I came within seconds.

F**k me' I begged him, lifting up my skirt before I bent over.

I felt his hard length enter me and we began shagging like rabbits on the grass.

I was soon screaming in pleasure and didn't care who saw as we both came.

Shagging outdoors is hot – and knowing people can see turns you on even more. I love it!"

PORCHIA WATSON, 28, 32DD, Basildon, Essex, says...

"I'VE always been experimental in the bedroom but it got to the point where I'd tried everything between the sheets – I needed something different.

When my fella suggested we bonked in the garden I jumped at the chance and that night, we got hot and heavy on the lawn.

We knew our neighbours could see us shagging if they looked out of their window, but once you're in that mood, nothing can stop you!

Since that night, we've romped pretty much everywhere and it's now rare for us to actually have sex in the bedroom!

One sunny afternoon earlier this summer, we packed a picnic and headed out on a walk in the countryside. It wasn't long into the walk when we decided to stop for a break – only I knew exactly what kind of break my bloke had in mind.

I yanked down his pants and began stroking his member, which was as hard as a rock. He leaned against a cold stone wall and I dropped to my knees on the grass, taking his full length into my mouth.

I licked, sucked and ran my tongue all over his cock as I give him a mind-blowing blowjob and I knew he was close. Just as he was about to spurt his load, I heard footsteps nearby – but he was far too gone for me to stop.

His warm spunk filled my mouth. I swallowed quickly as he pulled up his pants just in time as the couple we'd heard walked past.

We had to act like nothing had happened, which was pretty difficult with jizz running down my chin!"

BENCH PRESS: Pair must hurry in case others want a sitdown

FEELS NATURAL: Lesbo friends get to grips outdoors

SARAH B, 27, 32D, from Brighton says...

"I'VE got down and dirty in some crazy places in my time, I guess you could say I'm a little bit addicted to shagging outdoors.

Me and my ex once got naughty on a Ferris wheel on holiday in Spain! That was interesting – we had to bonk and finish before our carriage went all the way around.

Shagging at a festival was one I'd always wanted to tick off. I was having a great time, but during one set the bloke I was with at the time gave me a cheeky look and we got carried away.

He lifted up my dress in the packed crowd and we began having sex right there in the middle of them all. Everyone was too busy watching the act on stage to notice what we were doing, and it was so hot that he was deep inside me in front of thousands of people, knowing anyone could look down at any moment and catch us.

Horns

I also had a really good shag on the bonnet of a car on the A1. Motorists were going past and beeping their horns at us. Good job we didn't cause a crash!

I've done it in the usual outdoor places – on the beach, in a field, in the car and on a balcony on holiday. I'm an anywhere, anytime type of girl. I just love sex and I love to live in the moment.

I'd always rather have sex outside – it's exciting! I once f**ked my boyfriend at the beach. There were loads of people around, but we just couldn't wait!

We sneaked off into some sand dunes and had sex there and then. It was so wild – it was the best sex I've ever had!

Since then, we often put on a similar show when we're at the park or the beach – so long as there's no families about."

Cave heroes can make us feel proud

WELL, they're back.

After travelling thousands of miles, putting into practice years of training, handling the task in hand to the best of their ability and facing the challenges and pressure with guts, determination and sheer, dogged bravery, they can reflect on a job well done.

I'm not talking about the England football team, though I – a fervent non-football fan – was one of the 38 million-or-so who tuned in to watch Wednesday night's semi-final against Croatia.

I'm saluting Brits Rick Stanton and John Volanthen – the first divers to reach the group of 12 Thai schoolboys and their coach after they went missing in the underground network in northern Thailand.

The pair, along with five other British elite divers, had flown to the region to assist at the request of Thai authorities.

They joined a multi-national rescue coalition – including Thai Navy SEAL Valeepoan Gunan who tragically lost his life during the rescue attempt.

This was, literally, life and death – for the trapped boys and their rescuers.

What those divers brought to the party was experience and bravery that money could not buy.

One of the world's richest men, Elon Musk (*left*), tried to help with the rescue by offering the use of a mini-submarine.

He was told: "Sorry, Mr Musk. Multi-million-dollar gadgets are no use down there. We need brave men to crawl through tiny holes, underwater and in the pitch black, to drag those boys to safety."

Sobbing

Muck and pluck would save the day – not dollars and cents.

And save the day they did.

Former England cricket captain Michael Vaughan wrote on Twitter: "Proud of the England Football team. But that's just sport. More proud of the 7 British divers that have helped save all those boys' lives in Thailand."

Exactly.

When England were knocked out of the World Cup, there were scenes of grown men sobbing.

Those tears were more likely the result of over-excitement and too much ale.

Had Rick Stanton, John Volanthen and the others merely come "oh so near" there would have been REAL tears from mothers who had lost their children.

Kind of puts a game of football into perspective, doesn't it?

The British divers who saved those kiddies are far too modest to bask in any glory.

They have publicly brushed aside calls for them to be knighted.

Sorry lads – the glory's coming your way.

The England team would have been showered with gongs had they come home with the World Cup, and rightly so.

Rick, John and the others – Vernon Unsworth, Robert Harper, Chris Jewell, Jason Mallison and Tim Acton – deserve the highest honours a proud nation can offer.

They have made this nation truly proud.

SCUMBAG SELLS 'PURE FILTH' GEMMA COLLINS SEX TAPE

GOTCHA: Hooded conman tried to flog tape

A SLEAZEBALL who tried to flog a sex tape of former *TOWIE* star Gemma Collins has been exposed as a FAKE by *Sunday Sport*.

Gemma, 37, recently claimed she'd shot the X-rated video – but refused to say whether it also featured her boyfriend James "Arg" Argent.

And one shyster called our newsdesk claiming to have a copy of the red-hot video, which he would sell for a hefty fee.

He told us: "This is dynamite. Gemma is absolutely naked and she's doing the lot.

"There's oral, there's anal, there's missionary and doggy.

"You can almost smell her wet bits – it's pure filth!

Flesh

"Plus, you get to see every inch of her lovely folds of flesh.

"It's dream stuff for fans of the larger lady."

We arranged to meet the chancer in a car park near our Manchester offices.

And he arrived, carrying an old-fashioned VHS tape.

Bizarrely, as temperatures soared into the eighties, he wore a zipped-up Parka-style coat.

A few basic questions revealed the conman DIDN'T have a copy of a Gemma Collins sex tape at all and that he was trying to sell us a pirate copy of the classic *Arsehole Party 7*.

By BECCA STUBBS
becca@sundaysport.co.uk

We sent him packing and have forwarded details of our probe to Gemma's representatives.

And last week Gemma herself told ITV's *Loose Women* that she had INVENTED the whole sex tape story during an interview and regretted it immediatley.

The reality television star is currently doing the rounds plugging her new book *The GC: How To Be A Diva*.

Commuters boil at station drunk

THOUSANDS of commuters were stuck on trains in boiling temperatures after a station master got drunk and fell asleep on duty.

Signals were all set to stop outside Murshadpur railway station in the northern Indian state of Uttar Pradesh – leading to a miles-long "train jam".

Regional rail officials called station master Deep Singh but could get no answer so rushed to the terminal to find out what was wrong.

They found Singh fast asleep on a bed in the signal box, surrounded by empty booze bottles.

Authorities said an inquiry had been ordered into the incident, adding that a medical showed a high level of alcohol in his blood.

A senior rail official said: "He was dead drunk. This is being a very serious matter."

LESBIANS KIDNAPPED LAD, 18, 'TO HAVE A GO ON COCK'

CHARGED: Melissa Burton (*above*) and Susan Glascock were desperate for dick

TWO burly lesbians snatched an 18-year-old youth from the street and took him home – curious to try some "real cock".

But when the terrified teen was unable to perform for foul Melissa Burton and Susan Glascock they beat him senseless and threw him down a WELL!

Authorities said the lad would have died there were it not for his pitiful cries being heard by a local farmer who raised the alarm.

The teenager was able to give detectives a full description of the assailants who, it turned out, were "known to police".

Strap-ons

Burton and Glascock, both 36, were both "insensible through drugs" when police went to arrest them at the caravan park where they live in Topeka, Kansas.

When they came down, detectives quizzed them separately and each blamed the other for the kidnapping.

Police documents show Burton said they'd hatched the kidnap plot as they were "tired of strap-ons" and "fancied the need for a real, hard cock".

By BRAD CHADWICK
news@sundaysport.co.uk

The victim, who cannot be named for legal reasons, is said to be "shaken and embarrassed but otherwise unharmed" by his ordeal.

The police station where they are being held is currently besieged by rival groups of militant lesbian feminists.

One faction claim the pair have "betrayed lesbianism" by hunting down a man for sex, while an opposing group of protestors insists the women are "political prisoners locked up for challenging the heteronormal hegemony".

Last night a police source said: "We got these two bull-dyke brutes in the cells, and upwards of 150 lesbians hollering and screeching gol-durned nonsense outside. It's like a scene from hell down here!

"Time was, we'd take the cudgels to these godless dogs but we can't do that on account of 'civil rights' now."

Burton and Glascock have been charged with attempted murder, preparing for a sexual assault, kidnap, assault, interfering with a well and criminal mischief.

NUDE BURGLE TOSSER NABBED

POLICE made a pervert pose NAKED for his mugshot after he was caught nude and masturbating in a number of homes.

A spokesman for police in Fulton, Missouri, said: "Officers received information a naked man entered a residence unlawfully and was then confronted by the homeowner before leaving.

Entry

"The man attempted to enter another residence but did not gain entry.

"In two further homes, the offender entered the property and in each performed an act of masturbation, contrary to the common peace."

Police say they caught Thomas Seay, 33 (*left*), and arrested him after a short chase on foot.

Seay was taken to the Callaway County Jail and is accused of two counts of burglary, two counts of sexual misconduct, and two counts of peace disturbance and resisting arrest.

A police source said: "Dang it! If that low down critter done wants to run around Fulton with no clothes on his back, so be it! But he'll do his perversions in the town jail. Yessir!"

FIRST HANDJOB

FAY: I was drunk when I first gave a handjob. It was to a guy I met in the park when I was messing about and drinking with my mates.

We were in the middle of this big field and we moved away from our mates for a snog and the next thing I knew I was tugging him.

I didn't really enjoy doing it because it was quite boring for me, as I was getting nothing out of it and I hardly knew the guy.

He came in under a minute and narrowly missed my face. I regretted doing it the next day.

AMY: I gave my first handjob in a park as well when I was 16. My boyfriend and I were bored and had gone for a walk.

We were sat on this bench and were getting touchy-feely with each other and I just felt adventurous and whipped it out.

I liked doing it and it only took five minutes for me to make him come. I felt quite pleased with myself afterwards.

FIRST BLOWJOB

FAY: I never fancied giving a blowjob, the thought of having a willy in my mouth made me feel weird, so I put it off until I was 18 and then did it to my boyfriend on his 18th.

I think it was the best birthday present he'd ever had and I was pleased because it didn't taste half as bad as I thought it was going to.

It took about 20 minutes for him to come and I swallowed because I thought it would ruin the moment if I spat it out.

AMY: My first blowjob was when I was 17. We were watching a film in my boyfriend's bed and I'd had a few drinks and just went down there.

I quite liked doing it because it was far more entertaining than a handjob. I found it quite enjoyable because I could see he really liked it.

He came after about five minutes, it was a lot thinner texture than I thought it would be. The salty taste was horrible and I spat it out.

FIRST SEX

FAY: I remember losing my virginity when I was 16. I'd hoped to save it for my first long-term boyfriend but then ended up having sex with a guy I had a two-week holiday romance with in Zante.

He gave me a massage in my room one afternoon and it led to us having sex. He wasn't a virgin but it didn't matter, it was still rubbish.

It went on for about 20 minutes and it was so bad it was a relief when it was over.

I couldn't believe I'd waited all that time expecting something special and then it was awful.

AMY: I lost my virginity to my first proper boyfriend when I was 17. It was the same night I'd given my first blowjob and it seemed like a good time to have sex for the first time because everything felt right.

We'd been seeing each other for about nine months and I knew that he was the one I wanted to lose it to.

It wasn't perfect. I headbutted him by accident halfway through, which made us fall about laughing.

It lasted 10 minutes and it was how I expected it to be.

FIRST HUGE WILLY

FAY: The lad I'm seeing at the moment has the biggest willy I've had.

I slept with him for the first time last year and when I saw it grow to nine inches I must admit I was a bit worried because I thought it would hurt me.

When he first put it in it did hurt quite a bit, but after half-an-hour it started to become really pleasurable and then just got better and better.

After two hours it was the best night of my life.

AMY: The lad I'm with has the biggest one I've had. It's about seven inches long and I wasn't even sure it would go in the first time I saw it so I was quite worried.

It hurt quite a bit at first, simply because it was so big, but after I got used to it it was mind-blowing.

I wouldn't say that size is everything, but it helps. It's what they do with it that counts ultimately.

If it was big but they didn't know what to do with it, then it wouldn't matter.

I'd be disappointed if my boyfriend had a small one, but I'd get over it.

FIRST TIME FANTASY

FAY: I lived out my fantasy earlier this year when I had sex in the shower with my boyfriend.

I wanted to try something new and adventurous and doing it in the shower was just that.

We were drunk when we did it and it was really fun. It was in my boyfriend's parents' house and we knew we might get caught.

It felt naughty and having the water on us was a turn-on, too.

AMY: The first fantasy I lived out was having sex on the back seat of my boyfriend's car.

I'd seen it in loads of movies and my friends who'd done it were always raving about it.

When we were in Wales on holiday this summer, I got him to pull over into a quite lane and we did it.

I loved every second of it. Knowing that a stranger might walk past and catch us in the act was definitely a turn-on for both of us.

> "We had a drunken romp in the shower – it was wet and wild"

FIRST BUM FUN

FAY: I've never even contemplated having anal sex, it's vile. I just don't want a willy being poked up my bum!

A couple of my boyfriends have asked me to do it, but they've only been joking – at least, I think so!

No one's asked me seriously, which is a relief because I'd hate to let them down.

AMY: Fellas like it because it's so taboo – and so tight!

I quite like it. If you're relaxed and take your time, it can feel good.

The guy I first tried it with had quite a big cock, but he knew exactly how to turn me on.

As he thrust into me, he used his fingers on my clit and I had a huge orgasm – and he wasn't far behind me!

FIRST OUTDOOR SEX

FAY: I had sex outside for the first time this summer. I went on holiday to Spain with my boyfriend and we had sex in his parents' pool.

They'd gone out and we just looked at each other and jumped in the pool. We both knew what each other was thinking.

It was really funny and a big thrill knowing his parents might come home and catch us, or one of the neighbours might see us.

It also felt nice doing it under water.

AMY: My first time outside was not long ago, too. I went camping in the Lakes with my boyfriend and six mates.

All our tents were next to each other. Me and my boyfriend got drunk and were sharing a sleeping bag, so it was always going to end up with us having sex.

We had to be really quiet so as not to wake our mates up – that was a big thrill.

FIRST SEX TOY

FAY: I got my first sex toy in February – a vibrating willy ring.

My best mate had bought one and she said she and her boyfriend were having the best sex of their lives.

But the first night we used it the sex was over very quickly, so I'd say he got more out of it than me.

AMY: My first toy was a Rampant Rabbit I got when I was 18. My mate bought it for my birthday.

It took me ages to pluck up the courage to use it but one weekend, when my boyfriend was away, I gave it a go. It felt quite nice but not as good as the real thing.

LEGENDS OF PORN

PART 12 JASMINE JAE

BRUM babe Jasmine Jae started adult modelling at the age of 31.

By PENNY MARSHALL
news@sundaysport.co.uk

But in just five years she's made up for lost time, and has starred in no fewer than 250 porn movies!

Jasmine went to university and worked in a clothing store during her studying years.

Before she ever considered working in the adult industry, Jasmine graduated with a first class honours degree in business and marketing, and had a successful career as a marketing manager, too.

She entered the porn industry in 2012 after meeting at a party with porn actor Keiran Lee, who invited her to shoot for Brazzers, the producer with whom he had a contract.

And the list of what she does on-screen is pretty eye-watering – blowjob, vaginal, anal, double penetration, fisting, gangbang, creampie, bondage, bukkake, watersports…the list just goes on and on.

Anal

Some of her standout films include *Alone Time 2*, *Anal Craving MILFs*, *British Maids*, *Evil Anal 23*, *Girls with Guns*, Lesbian Fanatic 2, My Stepsister *Shower Babes* and *Taste*.

She is also married to producer and porn star Ryan Ryder.

In 2015, Jasmine won the coveted Paul Raymond Award for Best Female Performer and Ryan Ryder won a Paul Raymond gong for Best Male Performer!

What if your wife gave you a free pass?

THIS month British porn giants Television X show you what happens when happily married couples give each other a "free pass" to shag strangers!

Sounds like a fun sexual fantasy, right?

Apart from the reality being the anguish that might come after realising your once faithful wife isn't around much.

And she's been taking a serious pole-jamming from a different well-hung fella every night of the week for the past six months.

Then you notice she doesn't seem to be slowing down...

You might think: "Was it really worth it?"

Especially when you only got to fingerblast the local barmaid in the pub loos after downing six pints straight from work.

Fantasy

Yep, its probably best to leave the sex fantasy as a fantasy, and let the professionals do it – so you don't have to!

Now you can watch top anal angel Ava Dalush along with big-titted Brooklyn Chase, filthy MILF Cherie DeVille and tight young vixen Anikka Albrite screw their marriages to oblivion – so you don't have to – in new series *Free Pass*.

Tune into Television X tonight – or call 0871 075 6969 – to watch these porno babes go at it like absolute sluts!

Need to get some of the action right now?

Just go online and visit *www.TelevisionX.com* to check out the thousands of hardcore explicit sex videos exclusive to Television X.

SOME truly amazing things have come out of Wales...

Coal, Max Boyce, Ivor the Engine, to name but three.

Shirley Bassey, there's four.

But few are as lovely as Cardiff cutie Steph Holland.

Thrilled

The 26-year-old model, who boasts 31C curves, said: "Back at home they were all thrilled when I told them I was going to appear in *Sunday Sport*.

"There's a bloke down my street who keeps all my cuttings.

"The newsagent near where I used to live is getting in extra copies of the paper, I'm told."

So Steph's not only got a stunning figure – she's good for our sales figures, too!

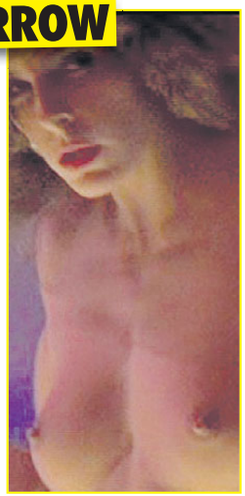
BOOBS ON THE BOX

BRITAIN'S ONLY NAKED TV GUIDE with SIMON DEAN

TODAY

Paramount Network, 11.50pm, *Sin City* – LOVELY bit of T&A courtesy of Carla Gugino (*above*), starting at about 13 mins.
5 Star, 11.45pm, *War* – MEGHAN Flather delivers a suitcase to some guy, then promptly delivers some boobs and thonged butt to us when she doffs her dress at 34 mins.
CBS Action, 1.50am, *Missing in Action* – THE action isn't missing when Lenore Kasdorf's luscious lactoid comes out thanks to some quick thinking from Chuck Norris at 40 mins.

TOMORROW



Paramount Network, 9pm, *Beverly Hills Cop II* – TEAL Roberts is shaking her pert pair onstage at 47 mins (*right*) in this classic Eighties movie.
5 Star, 9pm, *Hansel & Gretel* – PIHLA Viitala strips down for a skinny-dip in a creek. We see a great shot of her buns and left breast at 45 mins
Movies4Men, 11pm, *Contract to Kill* – JEMMA Dallender wears a sexy baby doll before letting a lucky dude help her out of it at one hour one min.

TUESDAY

Horror Channel, 12.35am, *Psycho III* – SEVERAL different looks at Juliette Cummins' mini-boobage (*above*) as she enjoys a night at the Motel with some fella at the 40 mins mark.
5 Spike, 11pm, *Desperado* – SALMA Hayek's bare, sombrero-sized chest-mangos while she and Antonio Banderas make the burro-with-two-backs at one hour 11 mins.
Sony Movie Channel, 9pm, *The Girl With the Dragon Tattoo* – YANK version of the movie, with teats aplenty provided by the lovely Rooney Mara.

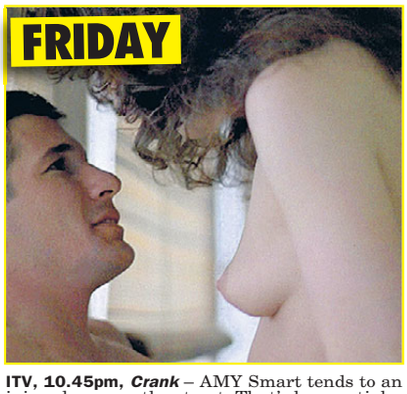
WEDNESDAY

ITV4, 10pm, *On Deadly Ground* – CARLOTTA Chang and her naked knockers writhe around in semi slo-mo while an old woman appears and Steven Seagal prays during a hazy dream sequence at 46 mins.
Horror Channel, 10.40pm, *GirlHouse* – CHASTY Ballesteros (*above*) teases her suck-sacks while performing on cam at 18 mins.
Horror Channel, 2.25am, *The Serpent and the Rainbow* – CHECK out Cathy Tyson's bits as she rides some dude's ding dong in a cave at 40 mins…but we never see a face and a boob in the same shot, so it could be a body double.

THURSDAY

Horror Channel, 12.50am, *Boogeyman 2* – CHRISSY Griffith's cute, goose-bumped bumps are bared in the mirror at 36 mins, but her face isn't in the shot so, again, may be a body double.
Horror Channel, 2.40am, *The Funhouse* – POPPING up from a makeout session, Elizabeth Berridge's leftie is flashed fast before she stuffs it back into her bra at 43 mins.
Movies4Men, 9pm, *Brooklyn's Finest* – SEVERAL different views of Shannon Kane's succulent boobies (*above*) as she rides a dude and swings around for oral action at 35 mins.

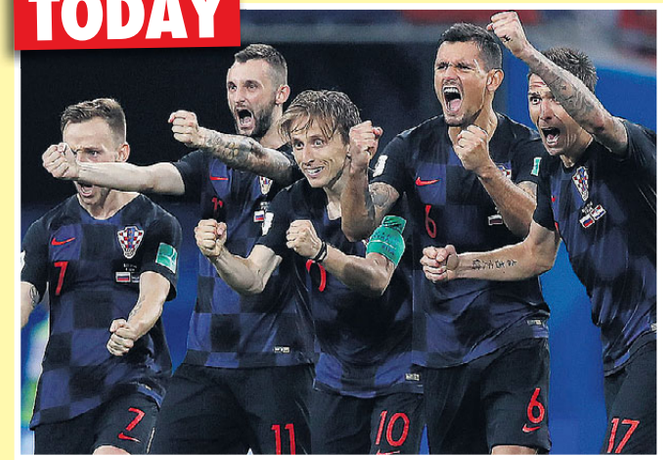
FRIDAY



ITV, 10.45pm, *Crank* – AMY Smart tends to an injured man on the street. That's her partial right boob (sporting a patch) showing at the beginning, but when the dress is ripped, the lefty is bare – but it probably belongs to a body double.
Paramount Network, 11.20pm, *An Officer and a Gentleman* – ADORABLE buns and breasts as Debra Winger romps with Richard Gere (*above*) at one hour six mins.
E4, 9pm, *Colombiana* – WE get a quick peek of Zoe Saldana's (or possibly a body double's) leftie as she steps into the shower for a post-assassination scrubdown at 48 mins.

PICK

TODAY



MONDAY

Who Do You Think You Are? – BBC1, 9pm

COMIC Lee Mack researches his family tree, delving into the life of his great-grandfather and fellow comedian Billy.

Not long into his journey, the *Not Going Out* star discovers that his relative was passionate about more than making people laugh, as Billy joined the first-ever Pals Battalion in Liverpool at the start of the First World War and honed his act at the front lines in the Battle of the Somme.

Lee also looks into the upbringing of his maternal grandfather Joe, who was deserted by his unwed mother.

Some Guys have all the luck

Our Guy In Russia – C4, 9pm

TRUCK mechanic and motorcycle racer Guy Martin sets off to explore the biggest country in the world in his own unorthodox fashion, by going on some unusual adventures.

Beginning in Moscow he gets a lesson in Russian politics when he rides with biker gang the Night Wolves, and finds out about law and order when he interviews two young daredevils who evade the police while trespassing on skyscrapers.

Guy also learns how British engineers helped to create the city's underground railway system and goes for a ride in an old Soviet air force jet. Brilliant stuff!

OF THE TELLY

By BARNEY SAMUELS

It's coming to... well, not us!

The World Cup Final: France v Croatia – BBC1 & ITV (kick-off 4pm)

WELL unfortunately, after Wednesday night's heartbreak, England won't be there but it's still the only thing to watch on Sunday afternoon.

Coverage of France v Croatia starts on BBC at 3pm and at 2.55pm on ITV. Take your pick.

Personally, I'd go for BBC1. We're paying Gary Lineker £1.75million a year through the licence fee, so we may as well get our money's worth.

As for who to support? Remember that deflation you felt on Wednesday night? Wouldn't you like a Frenchman to feel like that – only worse?

Unforgotten – ITV, 9pm

NEW series. Nicola Walker and Sanjeev Bhaskar return as detectives Cassie and Sunny, investigating another emotionally-charged cold case.

When the body of a teenage girl who went missing at the turn of the millennium is found at a building site off the M1, four old schoolfriends are placed under the spotlight and their relationships are tested to the limit.

With Alex Jennings, Kevin R McNally, Neil Morrissey and James Fleet.

Dunkirk: The Forgotten Heroes – C4, 8pm

THE untold story of what happened after the Dunkirk evacuation, told by the men who were there and using recently declassified secret documents.

Following the evacuation, tens of thousands of British troops were still left in France – fighting for their lives.

The 51st Highland Division were ordered to fight on against Hitler's war machine and now – almost 80 years later – the only remaining survivors of that Division tell their extraordinary story for the first time.

TUESDAY

The Five Billion Pound Super Sewer – BBC2, 9pm

AND they say that telly's gone to shit these days...

This new documentary, filmed over the course of three years, follows the huge engineering project to expand London's sewers – the biggest upgrade to the Victorian-age network for more than 150 years.

The first episode focuses on the creation of the first stretch in east London, as lead engineer Emmanuel Costes has to build a massive 80-metre-deep shaft, and make it watertight using a risky and daring technique called "slipform".

Inside Facebook: Secrets of the Social Network – C4, 9pm

HAVE you ever wondered who decides what gets pulled from Facebook, and why?

An undercover look at the world of the people who decide what can and cannot be posted on the world's biggest – and at times controversial – social media site.

The investigation looks at how those decisions are made and explores the impact that they have on the millions of people who use Facebook.

My guess is that you'll come away thinking: "F**k this Facebook lark" and find something more profitable to do with your time.

DON'T MISS THIS!!!

Ramsay's 24 Hours to Hell and Back – Thursday, C4, 10pm

GORDON Ramsay travels across the United States in search of restaurants in dire need of renovation – and after analysing their situation, he has just 24 hours to bring them back from the brink of disaster.

His first stop is the New York community of Congers, where he hopes to save family-run Italian restaurant Bella Gianna's.

Gordon and his team work round the clock to clean the premises, remodel the interior and revamp the menu, while also teaching the staff to prepare new dishes and work together as an efficient unit. But what will the customers think of the new-look restaurant?

THE WORLD FAMOUS AGONY Page

Dear Kelly,

I WAS on a train when I spotted a gorgeous blonde with a big pair of tits sitting a few rows away from me. She invited me over and I found out she was a 21-year-old student who loves having sex on trains.

I couldn't take my eyes off her tits and I soon had a bulge in my pants. She just smiled and unzipped my keks and started to toss me off. Luckily, the carriage was empty as she sucked my knob.

After I had exploded down her throat, I returned the favour. I lifted up her skirt and eased off her wet knickers before licking her out.

She was loving it as I made her come. I was soon hard again and led her to the toilet where I bent her over the bog and pounded into her.

We agreed to meet up again on the slow train to Birmingham.

Top journey, or what?

FG, Norfolk

Kelly says...
I HOPE you've been training so you can stay on track and perform like a sex machine.

Dear Kelly,

IT'S been my ultimate fantasy to be walked on by women in high heels since my teens – and I'm now in my 40s.

I have a 19-year-old girlfriend who is trying to make it in the theater and I love it when she practices her song-and-dance routine on my broad back while wearing very pointed shoes or boots.

The pain is so good, I cream myself several times. She insists I stay on the floor for her grand finale when she spins on her heels and puts a last stamp on my back.

After that she takes a large red leather dildo and pleasures herself noisily, letting her love-juice run all down me.

The view of her gaping snatch is sensational and I can smell how horny it makes her.

My only problem is finding some ointment for the scars. Any ideas?

RT, Dagenham

Kelly says...
TEA-TREE oil should take the sting out of things for you for the time being – until surgery's required.

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week KELLY McGREGOR has been reading through your letters and emails. Here's her advice...

Good manners make hot babe manhandle by cock

Dear Kelly,

I'M a 22-year-old fella and I've always found that good manners can get you anywhere with women.

I work in a bank and a new girl recently started, a really cracking blonde with big tits, and all the other blokes were trying it on with her.

Then one day I was walking into work and I spotted her just behind me, so I held the door open for her.

Giggled

She turned to me and said it was nice to see a fella with manners and then asked me what the catch was.

I cheekily told her it was so that I could get a good look at her arse. She giggled and, not being one to let an opportunity pass, I asked her if she fancied a drink that night and she said yes.

We went to a pub and she said the only reason she'd come out with me was because I was so polite and hadn't come out with all the usual chat-up lines like the rest of the guys in the office.

We ended up back at her place and she was all over me as soon as she'd closed the door.

Her hand went straight to my crotch as she rubbed my growing erection and flicked her tongue in and out of my mouth.

I moaned with pleasure as she unzipped my flies and gently wanked my cock before she dropped to her knees and started to slowly suck my knob.

I pulled her up gently, bent her over a chair and lifted her skirt. I eased her lacy white G-string aside and started to lick her wet pussy.

Then I took hold of my throbbing manhood and thrust it into her doggy-style until reaching a pulsating climax.

And it all goes to show that good manners bring their own reward. Wouldn't you agree?

DL, Berks

Kelly says...

YES, you're a proper gent all right!

Dear Kelly,

I LOVE the idea of getting down and dirty in the flower beds. I'm lucky enough to have quite a large garden a and fortunately my wife shares my delight in potting out.

Because of the secluded nature of our plot, we love to indulge in outdoor sex and it's great that we can peel off for a bonk in the bushes.

One day, me and the wife went to the garden centre. While we were wandering around one of the hothouses, I dragged her into a corner and lifted her skirt.

I pulled down her panties and slid an exploratory finger into her fanny. Then she gave a little yelp as I slipped her my length.

But then round the corner came the garden centre manager, who ordered us out. My missus was so embarrassed that she's said there'll be no more outdoor sex, even at home. What can I do?

AS, Herts

Kelly says...

GIVE her some space and she'll soon feel blooming horny for outdoor sex!

Right... I'm going to start by sucking your minge. Make it nice and wet
OOOOH! That's a good rhythmic motion you've got going
And now for the sex... NNNNNNNG! NNNNNNNG! Ahhhhhh... That's the old sack drained of semen!
Er? That lasted like a minute?
BUNG... SLAP! SLAP! SLAP! SLAP! SHRIVEL...
Oh... Well, now we get to watch the World Cup Final too! Best of both worlds, eh?

Kelly says...

YOUR man sounds like a real Mr Marshmallow dick!

Game set and bashed for tired finalists

ANDERSON AND DJOKOVIC HAVE TO RECOVER FROM CRAZY SEMIS

BACKING: Root is happy with the new 100-ball competition

BOTH players in today's Wimbledon men's singles final have every excuse to be totally KNACKERED.

By NED PERRY

Kevin Anderson came through the longest semi-final ever at SW19 as he battled fellow giant, American John Isner on Friday.

The match lasted almost SEVEN HOURS and it was a ridiculous 26-24 in the final set.

The final set alone lasted 10 minutes short of three hours.

South African Anderson will take on Novak Djokovic today and he also came through an epic semi.

He had to sit and suffer along with Rafael Nadal as Anderson and Isner played out their marathon.

It was already dusk when they took to the court on Friday and they played the first three sets under the lights with the roof closed.

Rules dictate that play has to end at 11pm so they came back yesterday for more.

It was 2-1 to Djokovic when the match resumed and Nadal swiftly squared up the game at 2-2.

That was before another amazing final set that finally went the Serbian's way 10-8 for a total match time of five hours and 16 minutes.

Special

Djokovic now has to pick himself up for today's final.

He said: "I'm just overwhelmed.

"It's very special. It was very clear that very few things separated us. Until the last shot I didn't know if I was going to win.

"This kind of match is what you live for, you work for."

Although Anderson came out on top, he would like to see the rules changed so that a tie-breaker can be played in the final set.

He said: "For us to be there for that length of time — I hope we look at this, because you don't feel great.

"You're really in a war of attrition out there.

"It's way beyond a normal tennis match or tactics. I mean, it's just who's going to outlast each other.

"I'm ecstatic to be through to the finals. At the same time you feel like it should be a draw. But somebody has to win.

"I don't know what got me through that match other than just a will to try to succeed, keep pushing myself.

"I tried as much as I could to just keep fighting. I take a lot of pride in that.

"Fortunately, I was able to find a way over the finish line."

Isner has what seems a decent solution to the problem.

He said: "I personally think a sensible option would be to have a tie-break at 12-all in the final set of a Grand Slam."

CHAMPION: Kerber

Classy Kerber silences Serena

ANGELIQUE Kerber won her first Wimbledon singles title with a convincing victory against Serena Williams.

The German took the match in straight sets — 6-3, 6-3 — in just over an hour on Centre Court.

Kerber struggled to contain her emotions as she picked up the famous rosewater dish.

She isthe first German Wimbledon singles champion since Steffi Graf 22 years ago.

Kerber said: "It's just a dream come true.

"First, I have to say: Serena, you're a great person and a champion.

"You are coming back and you are such an inspiration for everybody, for all of us.

"It's amazing and I'm sure you will have your next grand slam title soon. I'm really, really sure.

"Congrats again for coming back.

"I knew I had to play my best tennis against a champion like Serena.

"It's always an honour to share a court with her.

"I think I'm the next one after Steffi who's won, that's amazing."

Williams never got going and Kerber was on top early and kept driving home the advantage.

She said: "It was such an amazing tournament for me. I was really happy to get this far.

"It's obviously disappointing but I can't be disappointed.

"I have so much to look forward to. I'm literally just getting started so I'll look forward to it.

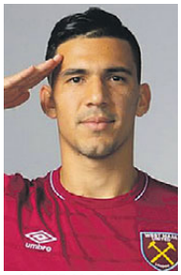
"I tried but Angelique played really well right through the match.

"It was really good and I look forward to continuing to be back out here and do what I do best.

"She's an incredible person and a really good friend so I'm really happy for her.

"It's her first title and I know she's going to really enjoy it and enjoy the moment.

"Congrats to Angelique again — it's amazing."



GENERAL: Balbuena

'General' adds steel to Pelle's Hammers

WEST HAM have signed defender Fabian Balbuena from Brazilian club Corinthians.

The Londoners are thought to have paid £4million for the 26-year-old who has seven caps for Paraguay.

His nickname is "The General" and he joins Issa Diop who was brought in by new boss Manuel Pellegrini to boost the West Ham defence.

He said: "I'm really excited for this new challenge and my target is to meet the demands of the Premier League.

"Obviously to be at West Ham is an extra motivation, and I want to do my best to help the team."

■MANCHESTER UNITED have agreed to sell Daley Blind to Ajax.

The Dutch giants will pay an initial £14m but the fee could rise to £18m.

Blind signed from Ajax four years ago but has dropped out of favour under Jose Mourinho.

The 28-year-old still has to agree personal terms on a return to the Dutch capital.

■LIVERPOOL could be frustrated in their efforts to buy Barcelona goalie Jasper Cillessen — by Lionel Messi.

He has caught the eye of Jurgen Klopp thanks to having a £50m buyout clause in his contract but the Catalans would consider a bid of £30m.

Bargain

The Dutch international is interested after being in and out of the Barca side thanks to the good form of Marc-Andre ter Stegen.

But Messi wants two strong keepers at the Nou Camp and has made his feelings clear.

The Reds are also stepping up their efforts to buy Croatia's World Cup star Domagoj Vida.

The 29-year-old centre-back did a great job on Harry Kane in the semi-final and has formed a good partnership with Dejan Lovren.

Klopp is considering playing three at the back next season and he would fit in well with his countryman and Virgil Van Dijk.

He is a relative bargain at £18m and Liverpool are ahead of Chelsea in the pecking order for the Besiktas stopper.

He has four years left on his contract but the Turkish side wouldn't stand in his way.

SIGNING IN: Sarri has already signed up Jorginho *(left)* and has his sights on Higuain from Juventus *(top)*

NEW Chelsea manager Maurizio Sarri wants to bring entertaining football to Stamford Bridge.

By JOHN ANTHONY

The former Napoli gaffer has taken over from Antonio Conte who was finally shown the door on Friday.

The 59-year-old Italian has a reputation for being a fiery character but he did well with the unfashionable Serie A side.

He steered them to two second places behind Juventus and picked up the country's manager of the year award.

This is a new challenge for Sarri and he's determined to hit the ground running. He said: "I look forward to starting work and meeting the players on Monday ahead of travelling to Australia, where I will be able to get to know the squad and begin our match action.

"I hope we can provide some entertaining football for our fans, and that we will be competing for trophies at the end of the season, which is what this club deserves."

Sarri has already pulled off his first big coup as Chelsea boss by signing Jorginho from his former club.

It looked as though the combative midfielder would be heading to Manchester City but he pinched the Italy international from under Pep Guardiola's nose in a £57million deal.

The 26-year-old said: "I am absolutely ecstatic to be here at Chelsea.

"It is not easy to become part of such a big team so I am very, very happy. I am excited to play in such an intense league, for a team that gives everything to play and win."

Giants

As well as trying to fight for the title, Sarri faces a battle to keep hold of his best players.

With no Champions League football on offer, the big sharks are circling around Thibaut Courtois, N'Golo Kante, Eden Hazard and Willian who have all starred at the World Cup.

The Belgium goalkeeper is expected to sign for Real Madrid, while both Spanish giants are trying to lure his international team-mate away.

Both players want the moves to happen and would release a combined £150m for Sarri to spend on his own acquisitions.

Courtois in particular looks certain to leave as his family still lives in Madrid after his time playing for Atletico.

He said: "I love living in London but my children live in Madrid and I would like them to be close."

Chelsea would join the race for AS Roma stopper Alisson should the move happen.

Liverpool are also keen on the Brazilian but their gaffer Jurgen Klopp is reluctant to get into a bidding war so the Londoners would be favourites.

Massive

Barcelona are interested in Willian should Manchester United cool their interest in the Brazil forward.

And Kante is being pursued by the likes of Paris St Germain as well as the big-name Spaniards.

Chelsea have waved a massive pay rise under the Frenchman's nose in a bid to keep him at Stamford Bridge.

Sarri also has some big

calls to make about players who couldn't get a look in under Conte.

Ruben Loftus-Cheek gets more games for England than the Blues at the moment and was loaned out to Crystal Palace last season.

Everton would love to bring the young midfielder to Goodison and new boss Marco Silva is prepared to splash the cash.

He would cough up the £20m Chelsea would want. Given his potential, that seems a relative bargain in the current market and other clubs could join the race should be become available.

Striker Michy Batshuayi may become a World Cup winner with Belgium today after falling out with Conte.

He's been on loan in Germany but could be brought back into the fold under the new gaffer.

The asking price of £50m scared off Borussia Dortmund where he was a big hit before injury cut his season short.

Photo

The likes of Alvaro Morata could be moved on too with Sarri trying to do a deal for Gonzala Higuain for megabucks from Juventus too.

The Argentinian would be open to moving to London but he would cost north of £60m and that seems a lot for a 30-year-old moving to a new league.

It looks certain to be a busy few weeks so there's no point Chelsea taking their new season squad photo just yet.

FOOTBALL HAS COME HOME!

YOU might have become a bit fed up of hearing people singing "Football's Coming Home" over the last few weeks.

That chorus feels all the more sickening at the final whistle when you realise it's not to be. But the truth is, thanks to Gareth Southgate and his boys, it's as good as home anyway now. Not in the sense of winning the thing of course – or even going one better than Bobby Robson's Italy 90 squad and giving us the excitement of a final against France, but in the sense that England fans have been given what they've been desperate to see for years: a good, young, English manager picking hungry, young, in-form players who genuinely want to play for their country.

Not a squad picked based purely because the players play for the top six Premier League teams, regardless of whether they fit in to a specific style of play or not.

For the first time in ages we've got an England team with an identity, not hoofing it, not scared to string two passes together, and not obsessed with mimicking other countries' styles for the sake of it.

It would have been very fitting to have played Belgium in the final. Ten of their semi-final starting 11 are Premier League regulars, and arguably sum up how the top English League clubs simply import talent at the expense of home grown players. Those home-grown players have either been rejected by their academies and had to start again or be loaned out at Championship, League One and Two or even non-league sides.

Southgate's squad was the team that the money-mad Premier League forgot. Well they've given them one hell of a reminder now haven't they?

What the FA does with this England team now is crucial and focus must be on the next Euros right now. Southgate must be allowed to preside over the transition of the title-winning England youth teams' players into the full England squad – and he has to be helped by their Premier League clubs giving them the chance to develop.

CLASS: Southgate

But, as the players in this squad have proved, if that means farming them out to the second third or even fourth tier of what is one of the strongest and most competitive leagues in the world, then so be it.

None of this nonsense about watering it down with Academy teams playing in our leagues either. It's time to recognise and appreciate the value of the entire English game, not just the elite.

Football may not be all the way home yet, but it's finally on the right bus after spending years driving down dead ends, and what better way to welcome it right back than at Wembley for the 2020 Euros final?

FRENCH FANCY

Bleus have too much class for Croats

FRANCE are a shade of odds on (9/10 with Bet Victor) to beat Croatia (19/5) in 90 minutes in the 2018 World Cup final in Moscow this afternoon.

I feel it is hard to look beyond Les Bleus who have made largely serene progress to the final.

Croatia did very well to come from a goal down to beat a disappointing England midweek, but I just wonder if Luka Modric and his Vatreni side can go again?

Note Barcelona's Ivan Rakitic has played no less than 70 times already in the 2017/18 season – 55 for Barca and 15 for Croatia.

BetVictor Brand Ambassador Michael Owen suggests the French will win 2-0 which is 7/1 at BetVictor whilst I would recommend France to win either 1-0 or 2-0 at 85/40 with BetVictor.

The World Cup Final is the last chance customers will have to win The Million Pound Bet with BetVictor.

The campaign has been going throughout the 2018 World Cup and £1,000,000 will be given to the customer with the bet – minimum stake £1 — with the highest winning odds.

The bar is currently set high at 17,042/1 which was a bet on the Uruguay and Portugal game which included correctly predicting the number of corners each nation would receive.

Penalty

Spare a thought, however, for the customer who hit the bar on Tuesday when he would have had a winning bet of over 19,000/1 had either Belgium or France forced just one more corner. Ouch!

Kylian Mbappe is 5/6 to be named Player of the tournament (Golden Ball winner) with Luka Modric 2/1.

Modric has been brilliant – despite missing a late penalty against Denmark in the last 16 – especially in the knock out stages and would be my pick going into the final although you would imagine the coveted award will go to someone in Blue if France go one better than on home soil in Euro 2016.

★ At the time of writing it is not clear who will meet Kevin Anderson in the Men's Singles Final at Wimbledon this afternoon after Rafa Nadal and Novak Djokovic were forced to return yesterday after they were forced off the court with an 11pm curfew on Friday night.

The quality of the tennis had been remarkable to that point and what a pity that the players in wonderful conditions — with the roof closed and floodlights on — could not continue.

Djokovic was leading 2-1 in sets and the winner will be a warm favourite against Kevin Anderson who came through his own six-and-a-half-hour epic with John Isner in the earlier semi-final that threatened to go on forever.

Djokovic was 4/7 going into the fourth set against Nadal on Saturday to win the title with Nadal 11/4 and Anderson 9/2.

Having beaten Roger Federer in the quarter-final — from two-sets down — perhaps the 9/2 for Anderson is too big?

★ Some cracking summer jumps racing and I feel What A Laugh (3.45) can go close at Stratford having met trouble in running when a close fifth over today's C&D last month.

Over at Perth I thought Honourable Gent (3.35) remains well handicapped having been raised just 3lbs for winning over C&D returning from a 426-day break last month.

The selection only won a neck, but he blundered badly at the second and I thought he was good value for his win.

THINK AGAIN: Infantino

Beefing up World Cup 'a big mistake'

THE man who organised the World Cup in Russia thinks it's a bad idea to expand the finals to a whopping 48 teams at the next tournament.

FIFA has already said the number of qualifiers will rise from 32 to 48 teams for the 2026 finals — and they are talking about bringing that forward to Qatar in four years' time.

Those finals look bad enough seeing as they are scheduled to take part in winter because of the searing heat in the Far East.

But having an extra 16 countries there looks like a recipe for chaos in the small Gulf state.

The proposed format of 16 groups of three teams in the first round is also crazy, with teams obviously playing for draws so they can sneak into second place.

Facilities

And if FIFA boss Gianni Infantino — who took over from Sepp Blatter — gets his way there could be a bonkers 80 games in Qatar, which has precisely ZERO football stadiums at the moment.

They are eight years into a 12-year programme to build all the facilities the World Cup needs.

But what happens on the field could be the least of FIFA's worries according to Russia 2018 chief Alexey Sorokin.

He believes having 48 teams and their fans all trying to get around Qatar will be a massive headache. He said: "It's important to remember what the country has bid for and planned for.

"To change that is not a minor decision that can be made in five minutes. There is a domino effect of going from 32 to 48.

"It's more base camps, more flights, it has multiple secondary effects. It will take a lot of specific planning, involving thousands of people.

"So for now no decision has been taken. It's been discussed but not agreed.

"It's important to listen to Qatar to find out if their infrastructure is up to it, because they prepared for 32 teams.

"So it's not about them discussing this with their neighbours, it's an important decision and it should be between them and FIFA."

The 2026 World Cup has been awarded to Canada, Mexico and the United States in a joint bid.

My Bleus can only get better!

DESCHAMPS BELIEVES FRANCE COULD DOMINATE FOR YEARS

PROUD: Deschamps

YOUNG STAR: Kylian Mbappe

DIDIER Deschamps says his France team can achieve much more in the future — even if they win the World Cup!

By JOHN ANTHONY

Les Bleus boss points to the youth in his squad that will take on Croatia in the final today.

Most of the first XI are in their early or mid twenties — and star man Kylian Mbappe is only 19.

He could put out pretty much the same team in Qatar 2022 — when relative veteran Hugo Lloris will be 35 which is not old for a keeper.

Of the rest, only striker Olivier Giroud is likely to have hung up his boots by then. And after a slow start, the French engine now seems to be purring and they are heavy favourites with the bookies to come out on top.

Coach Deschamps went into the World Cup under a cloud with plenty of grumbling back home about their "negative" style of play.

That has been on show sometimes in Russia but the likes of Paul Pogba, Mbappe and Antoine Griezmann have had plenty of free rein to get forward.

Deschamps has turned around the view of his tactics and hopes to lead Les Bleus for years to come.

He said: "There is a spirit in the squad that can move mountains. They are young and they will be even stronger in two and four years' time.

"We have created an opportunity to become world champions but we are still not there. But we want to fulfil our destiny."

As a player, Deschamps was part of a World Cup winning team and wants to follow in Franz Beckenbauer's footsteps in lifting the trophy as a coach too.

He was mocked as the "water carrier" by Eric Cantona but current France midfielder Blaise Matuidi — who should start today — is a big fan of the gaffer's style.

He believes Deschamps has done the right thing in making sure there is plenty of steel on the pitch as well as skill.

He said: "He has created a group in his image. He is the leader, the captain of the ship.

"He achieved great things as a player, and as a coach too.

"He always had that toughness, that way of leading that led him to success. Everything he puts in place pays off. We are very happy to have him as our coach."

Griezmann is another who believes Deschamps has instilled a real work ethic into his troops that has stood them in good stead.

The Atletico Madrid forward will be a key man today. He said: "A sense of sacrifice is dominating the group. We know we need to be rock solid, hard to beat.

"We know that we can go on the attack at any moment, but the defence remains our foundation.

"When I see this group, it makes me want to stay on for years."

"We have young people with a lot of talent. I am enjoying the moment — I will try to hold as long as possible. I'm proud to be part of this team, this group.

"We have a beautiful country. We are proud to represent it, to wear this jersey.

"I also hope the people at home are proud to have this national team."

WIDE AWAKE: Dalic

Dalic: My lads will just keep Cro-ing

CROATIA boss Zlatko Dalic has again ruled out the idea that his team will be knackered in today's clash with France.

They have needed extra-time or penalties to come through all three of their knockout games — including a punishing semi against England.

At the same time, France have had it relatively easy with their progress to the final all coming inside 90 minutes.

Dalic said: "It is the World Cup final. Simply the players know what that is. One thing that brings me happiness is that all my players tell whether they are not 100 per cent fit.

"We have a such a good relationship that they will concede and say that I am not fit, I'm going to miss the final.

"They know what is at stake in the final, how great it is to play in the final. But if they will be unable to give their all, they will tell us.

"I expect them to do so, they need to have such an attitude."

Dalic has allowed his players to put their feet up since Wednesday's win against England.

Freshness

So maybe he is worried about them being tired after all.

He added: "We do not insist on practice sessions. We have nothing to practise.

"We need relaxation and rest to regain freshness for the final. We have some minor injuries.

"I hope we will overcome those today and that all my players will be ready to play in the final. If they're not we have great players on the bench who are raring to go.

"I'm not worried. I do not have any problems in that respect."

As you may expect, the support coming to the players from Croatians at home has reached fever pitch.

Dalic believes that will give his team a real boost, adding: "We are only able to see a small portion of what is going on back home. We can't be more joyous and proud when we see what joy we have brought to the country.

"Win or lose there will be a seismic event and this brings us strength and motivation."

WORLD CUP THIRD-PLACE PLAYOFF:

BEL TOLLS FOR TIRED ENGLAND

Lions run out of steam but can

BEL STARS: De Bruyne, Hazard and Mertens

BELGIUM outgunned a tired looking England with goals at either end of the match.

Thomas Meunier put them in front inside five minutes and Eden Hazard sealed with win with a late strike.

But England had their chances too and Eric Dier could have had a hat-trick. He had a shot kicked off the line and went close with two other efforts that he should really have converted.

It means the Three Lions finish an excellent fourth and it begs the question of how did Belgium not win this

By ANDY MILLOM

World Cup with so much quality on show?

Gareth Southgate went for a strong line-up, refusing to treat the game as a friendly.

Harry Kane and Raheem Sterling continued their partnership up front.

There were changes further back as Phil Jones replaced Kyle Walker and Danny Rose came in for Ashley Young.

Jordan Henderson has been ill so Dier anchored midfield, with Ruben Loftus-Cheek taking the place of Dele Alli. Fabian Delph started for Jesse Lingard.

Belgium played their strongest possible side and looked the better team right from the off.

It took them just four minutes to take the lead at the end of a fluid passing move.

Help

There was far too much space in front of the England box and Romelu Lukaku linked up with Nacer Chadli.

His cross perfectly picked out Meunier who smashed the ball past Jordan Pickford from close range.

Belgium continued to make Dier's life a misery with the Tottenham man trying to do the work of at least two midfielders.

That's something for Southgate to look at because there is a lot of space for talented players to occupy if the holding player doesn't get much help from the more attacking midfielders.

England's first real chance of the game fell to Kane on 25 minutes.

Sterling did well on the edge of the Belgium box and passed to the skipper who slipped as he fired in his shot from inside the area.

His effort was still firmly

struck but it drifted well wide. Hazard almost doubled the Belgian lead before the break.

He was free in front of the England goal and it needed a block by John Stones.

Southgate needed to make changes at the break and he took off Sterling and Rose for Lingard and Marcus Rashford.

England were immediately brighter after the break and Stones almost got on the end of a Kieran Trippier free-kick.

He headed it towards goal but Jan Vertonghen got a block in.

Then Lingard found space out wide and fired in a perfect cross that Kane was inches away from turning into the Belgian net.

The skipper looked gutted as that goal would surely have secured his Golden Boot whatever happens in today's final.

Sting

That was the cue for Roberto Martinez's men to try and slow the tempo of the game.

With midfielders like Kevin De Bruyne to call on, Belgium were able to keep the ball for a long stretch and take the sting out of England. Kane was frustrated just after the hour when he miscued a volley from next to the penalty area from a corner. It wasn't one of his better efforts.

It seemed to spark England into life though and they had two great chances to equalise.

For the first, Dier and Rashford combined well on the edge of the Belgium box to play the Spurs man in.

He dinked the ball over Courtois but it was cleared off the line by his fellow Tottenham star Toby Alderweireld.

Then Dier headed a great chance wide from another excellent set-piece before Harry Maguire steered another chance past the post with his now famous "slabhead".

The Three Lions paid for that as Belgium got back on the front foot.

Pickford made one of the saves of the tournament when he kept out a powerful effort by goalscorer Meunier.

That was at the end of a lovely move that saw Hazard and De Bruyne at their brilliant best.

There was no real shock when the Belgians got the second and killer goal.

Hazard was simply too good for Jones inside the England area and his drive flew past Pickford.

EMOTIONAL: Kane applauds the fans

We can build on this says happy Harry

ENGLAND captain Harry Kane says he couldn't be more proud of his team-mates after the Three Lions finished fourth at the World Cup.

They came up short against Belgium but the young squad can only learn from the experience and come back stronger.

Kane said: "The lads couldn't have given any more. Belgium are obviously a good team. I can't fault the lads, we gave everything.

"We wanted to finish on a high. We're disappointed not to have won the game but it shows we can still learn and hold our head up high."

While England have done better than pretty much anyone expected in Russia, they have still come up short twice against Belgium.

Kane knows it's a work in progress and there's a long way to go.

He added: "This game showed there is still room for improvement.

Ready

"We're not the finished article, we're still improving and will only get better. We don't want to wait another 20 years to get into the semi-finals and the big matches.

"We need to improve, we need to get better but that will come.

"We have made huge strides. Now it is about resting up and getting ready for the next season."

Kane wasn't able to hit the target against Belgium but his closest rival in the Golden Boot race — Romelu Lukaku — didn't either.

Unless Antoine Griezmann or Kylian Mbappe score a hat-trick for France in today's final, Harry will follow in the footsteps of Gary Lineker who took the prize in 1986.

While that wouldn't be as good as winning the World Cup, it would be a decent consolation prize.

It's something Kane would like to get his hands on.

Kane added: "It shows we had a good group stage, scored a lot of goals.

"Obviously I'm disappointed I couldn't get a goal in the last few games.

"Sometimes it goes for you, sometimes it doesn't. But if I win it, it'll be something I'll be very proud of."
